CVES Update

Dear Copper View Parents and Students,

WOW! There are twenty-four (24) days of school left, and we ask for the students to stay engaged and on task with the teaching and learning at CVES. The teachers have a lot of activities and events planned the last few weeks of school. We would like to take this opportunity to share that we have been fortunate that music teachers from around the Sahuarita Unified School District having been supporting our CVES students for Band, Orchestra, and Choir. In collaboration with Mrs. Danloe and Mr. Johnson, our guest long term music teacher, they are helping the students prepare, practice, and join our partner schools Anza and SIS/SPS for spring concerts.

In addition, I would like to thank CVES teachers and parents for helping the choir students practice in Mrs. Dang's class. We appreciate the support and efforts. The students will be performing during the evening on several dates in conjunction with Anza for Orchestra and Band, and SIS/SPS for Choir! There will be some day time rehearsals and they are coordinating around several CVES PBIS events.
