MEMORANDUM

Date: **Thursday, March 31, 2022**

To: **Students & Parents of SIS RT #15**

From: **Stanley Holtsclaw, SUSD Transportation Dispatch**

Subject: **Project R.O.A.R. (Route Optimization and Realignment)**

To the Parents, Guardians, and Students of SIS RT #15:

In support of our ongoing optimization efforts, we are implementing a gradual, phased **consolidation of bus stops known as Project R.O.A.R.** (Route Optimization and Realignment). Project R.O.A.R. will utilize central locations, such as the neighborhood parks, to consolidate the number of bus stops for each bus route. The revisions will change bus stop locations, pick-up and drop-off times, and foreseeably the bus route numbers. However, these changes will result in fewer disruptions to the transportation schedule, shorter and more consistent wait times for students, and ensure students arrive on time to school each day.

Your child's new bus route #15 will take effect on **Thur., April 7, 2022.**

	NEW
AM BUS STOP LOCATION	**EAST SIDE OF PARQUE DEL PRESIDIO**
AM TIME	**6:38 AM***
PM BUS STOP LOCATION	**EAST SIDE OF PARQUE DEL PRESIDIO**
PM TIME	**2:22 PM***

Please ensure that all students are at the stop **5 minutes prior** to the listed time per the 'Compact for Success'.

Please contact SUSD Transportation Dispatch at extension 1188 or 1127 with any questions or concerns.

As always, we appreciate your patience and understanding.

**Times are approximated within a few minutes. Please check infoFinderi the night before the indicated date for the most accurate information.*
