Notice to Parents Update

December 12, 2016

Dear Sahuarita Parents/Guardians:

Sahuarita Unified School District is dedicated to maintaining a strong partnership with parents. Key to that partnership is open communication. For this reason, we are providing an update to a parent notification that was released this morning regarding a verbal threat made by a student at Walden Grove High School.

There have been no changes to the investigation. There is no evidence of substantive threats besides the original verbal threat at this time. We will continue working with Sahuarita Police Department, and investigating any concerns which are brought to our attention. We will continue strong administrative visibility around the campus and continue to encourage reporting of any relevant information.

We are committed to the safety of all students, and meeting the education needs of every student, while considering the individual needs of each student.

Students that were absent on Monday, December 12, 2016 due to the disruption of the learning environment will receive an administrative excused absence. The school resource officer will continue to maintain visibility on campus and provide guidance as needed.

School will proceed as scheduled tomorrow. In addition, counseling support services will be available for students at school for those who wish to speak to someone.

Thank you for your support. Our partnership ensures a safe and supportive learning environment for all of our students.

Respectfully,

Brett K. Bonner
Assistant Superintendent for Educational Services
Sahuarita Unified School District

Amber Woods
Director of Community Outreach
Sahuarita Unified School District
