JACKET

A nice warm jacket is your life preserver in any winter situation. Even if it is a little funny looking, how would anyone survive below freezing temperatures without one? PLEASE REMIND YOUR CHILD AS THE WEATHER CHANGES TO LAYER AS NEEDED.

DISCOVERY SCIENCE

GRADES 3-5 TEACHERS HAVE BEEN TRAINED USING DISCOVERY SCIENCE TECHBOOK ONLINE. IT IS A BREAKTHROUGH DIGITAL SCIENCE TEXTBOOK THAT CHANGES THE WAY STUDENTS AND TEACHERS EXPERIENCE REAL-WORLD SCIENCE. THIS SUPPORTS IGNITING INTERESTS IN THE EXPLORATION OF SCIENCE CONCEPTS.

THANK YOU FOR VOLUNTEERING AND DONATING TO OUR SCHOOL!
