X. Board Reports

The Governing Board may present reports at this time.

Shari Lowell said she appreciates that her calendar has been filled with daily celebrations, thank you for the invitations. She spoke with Mr. DeGroot at the Retirement Celebration, and she spoke with his wife whose grandparents grew up in the same town she is from. Mrs. DeGroot's uncle was her Guidance Counselor in high school, it was a nice connection. She thanked everyone for all they do, and she is grateful for everything.

Dalia Zimmerman said thank you for all the invites, activities and amazing celebrations. She looks forward to more.

Tom Murphy said there have been a lot of events. He said he had to miss a couple of events because his daughter graduated from ASU. He is honored to be part of the board throughout the years. He does not believe that his daughters would be so successful without all the support they received while being part of the District. Tom said thank you, there are so many events, so many things to be thankful and blessed for, for all of you that sit before him, thank you!

Kris Ham said ditto, she said that now is the payoff. Watch your kids and all of their accomplishments.

John Sparks said the older he gets the more emotional he gets. The kindness, commitment, compassion, from math teachers to band teachers, counselors, administrators, they make our schools successful. He is thankful for the commitment that surrounds his children. He is appreciative.
