The Governing Board may present reports at this time.

Shari Lowell said she had a great dinner with the ASBA Pima County Meeting. It was so awesome to see the MVP Robot on the field. She said that Nick Lowery brought a guest who was a free agent kicker, who is looking to be signed by the NFL, and he challenged her, he said that if she would tackle one of the robots, she said that the Board would gladly tackle the robot with a donation to SUSD. He said that once he gets signed he will come back. She also mentioned the WGHS/SHS swim meet at 4 p.m. tomorrow. There is great sportsmanship between both of our schools. It will be senior recognition for WGHS. Ms. Lowell also mentioned the I-19 Show Down Band Event, October 28, at 3 p.m., Sahuarita High School.

Dalia Zimmerman mentioned that she enjoyed attending the Walden Grove Homecoming was beautiful and nicely done. She also attended Coffee House with her daughter. She thanked everyone for all the wonderful events. She also asked that we invite the community to the events. Dalia said that the contest at Anza Trail was great, it just proved that we are one community, and how awesome our parents and community are.

Tom Murphy said it is hard to keep up with all the events. He attended the bonfire at Walden Grove, he stood to close to the fire, he could feel the heat on his face. He attended the sports, SHS choir/orchestra, dance. To see the dance program grow at SHS with the help of the PAC at WGHS, it shows the special connection between the two schools. He mentioned that the NJROTC came in second place for the Brain Brawl, so they will be going to San Diego to compete. He thanked everyone for all they do every day. He is so proud of our kids. He is grateful for all of the support. Tom mentioned that the contest at Anza Trail brought all of the community together, it was a positive experience.

The dance program from SHS has 50-60 students, it is a substantial number, he thinks that SHS needs to have a dance program. It is impressive and the student support they had. The growth in the SHS music programs, choir, orchestra, and drama was bigger this year, the growth is positive. He apologized for missing the ASBA meeting, his son had a band concert. He learned something this week, he had a conversation with a parent who volunteer's this evening, the parents want to be involved, they want to help and serve our students. He appreciates everything that the employees do every day.
