V. Superintendent Reports

The superintendent may present reports at this time.

Dr. Valenzuela reviewed the enrollment report showing an increase.

Dr. Valenzuela shared photos of Wrightson Ridge School, this school is still planned to open as scheduled in January.

Dr. Valenzuela attended the Arizona I-19 Most Influential Person, and one of our friends Angie King was recognized, for her support and sponsorship of the NJROTC Program. Congratulations to Mrs. King.

Dr. Valenzuela shared that Ben Lebovitz was selected as one of the top ten finalist for Teacher of the Year.

Dr. Valenzuela showed a photo of the SHS Softball Team Champions, showing their State rings.

Dr. Valenzuela showed photos of the Cross Country Team from Walden Grove, they came in first place.

Dr. Valenzuela shared a video of the Anza Trail Patriot Day Ceremony.

Dr. Valenzuela mentioned that the SHS Jockeys competed in a competition and they came in 4th place, we are very proud of them.

VI. Governing Board Reports

The Governing Board may present reports at this time.

Mr. Murphy said that after the Anza Patriot Day Celebration he went to a meeting for the American Legion on Duval Mine Road, and was a speaker there. Basically his entire speech was based on his experience at the Anza Trail Patriot Day Celebration, and those people were so appreciative, because they do not have a lot of exposure. Sometimes people think that these types of celebrations are not continuing, it was reflective on me that unless that you are a senior you were not even born when 911 happened. We should never forget, all those that were involved the Border Patrol, the Honor Guard were blown away by this particular event and the thanks. Congratulations to both high schools, I attended to both of their first home football games. Mr. Murphy mentioned the Editor's article, and he said that Walden Grove High School's football Team was mentioned, how you preserve and when you win you win and when you lose you lose. He said that he has always had a sense of pride over the years when our students that are athletes travel, and are not always treated well, but how they have carried themselves, it is the one thing you can control. We could all learn something from this article. Mr. Murphy also mentioned the Common Ground Award and the partnership with Wrightson Ridge and Rancho Sahuarita. When you are a finalist you are already a winner. Just like our Teacher of the Year award, even if you are in the top ten or top five. These are just all amazing people, and representative of all of our staff. There is just a lot of good stuff.

Mrs. Lowell said she can't believe Fall is here. She continues to enjoy being around the schools with the Fall sports. She gets to see the campuses and the kids and different projects. She had a wonderful time up at the ASBA Law Conference catching up on the latest and greatest of law, and collaborating with others. This is always an interesting and enriching time, and she is always grateful she was able to attend.

Mrs. Zimmerman said that Anza did a great job. She said that Mrs. Velarde is the one in charge of organizing the event, in addition to being a 4th grade teacher. She puts on an amazing show, a celebration of our armed services and uniformed services. The U.S. Public Health Service flag up for the first time, Mrs. Zimmerman and her husband served. She also mentioned the AZ I19, she may or may not have nominated Angie King, and Deborah Morales was also recognized who is a friend of the District.

Mrs. Ham said that she attended the ASBA Law Conference that she attended. This is so important for our District, and the State in general to be informed of the laws that are coming through our legislature currently. They spoke about State and National and things like that. She appreciates the opportunity to go. She said that the speaker she took the most from was Ron Suskind. Who is the author of Life Animated, if you are interested he is a very good storyteller. It is a fabulous story of his autistic son.

Mr. Sparks said that he learns a lot at the Law Conference. They share stuff happening across the State and Nationally. He said that this week when he saw the picture of Angie, he could only imagine the conversations that go on between her and Master Sergeant King. Last year he told him that he said he was going to start a Rugby Team, on top of everything else he does. That family continues to give to the community at a high rate, and he is appreciative of their energy and drive, and they are in it for kids. There was also an article in the paper about the Flight Team, and as we face tragedy as a District unfortunately pretty regularly over the past five years, he is appreciative for the impact that the team has, and the capacity of them to reach out to support families in their time of need. He appreciates the focus of the team, and it is a tremendous asset, he said he doesn't know if people know that we have this team. He echoes everything that was said today.
