

Sahuarita Middle School

The Counseling Department of Sahuarita Middle School is here to continue providing counseling and mentor services to our students. The philosophy of the Counseling Department is to assist students in personal growth through the development of educational planning, self-awareness, goal setting, decision making, and implementation of personal goals.

School counselors are student advocates who work cooperatively with other individuals and organizations to promote the development of our students. School counselors consult and collaborate with teachers, administrators and families to assist students to be successful academically, vocationally and personally.

During our school closure, parents/guardians and students can reach Mrs. DeSouza by emailing her at nicole.desouza@sahuarita.net or by sending her a message through Google Hangouts.

Please note that the Counseling Department will not be available for crisis situations or consultations during the school closure.

Please call the **Crisis Response Center (CRC)** @ 520-301-2400 (Available 24 hours a day, 7 days a week) to help children and youth who are experiencing emotional crisis. The services are designed to defuse an immediate crisis and keep children and their families safe.
