Distance learning for Finals, December 15th-17th:

As stated in the letter that was sent on November 30th, all finals will be delivered digitally.

Students will:

- Turn on the camera for attendance at the beginning of each final exam session so teachers can verify the student is present.
 - If technology available to a student does not permit the student to turn the camera on, or stay logged in for the entirety of the exam, email Mr. DeSouza at teddy.desouza@sahuarita.net to request taking the exams in a testing location on campus. Requests must be submitted no later than Thursday, December 10th. Approved students will have tests proctored on campus.
- Remain logged in to google classroom during the testing window.
- Complete the final exam during the final exam testing session.

Attendance appeals MUST be submitted to SHS Administration in order to be evaluated during the appeal process. Failure to complete and submit an appeal will result in no credit.
