Testing Logistics

- Students will stay on Google Meets or Zoom during the administration of the test.
- Cameras must be **ON** during the administration of the test.
 - Students who do not turn on their camera will not be allowed to take the test. If technology does not allow for students to use a camera, email Ms. Kristen Blaser at kblaser@sahuarita.net to request taking the final exams in the WGHS Auxiliary Gym testing location. Requests must be submitted by Friday, Dec. 11th. Approved students will take their finals manually with a test proctor.
- Testing must be completed during the timeframes given and are expected to stay on video during the entire test window.
- When students complete the exam, they will send a chat (in the video session) to the teacher informing them they have completed and submitted the exam.
- Teachers will verify they have received the exam and at that point dismiss the individual from class.
- WGHS Buses will not be running. If approved to take the final exam in the gym, students must provide their own transportation to school.
- No early final exams will be administered. If a student has an excused absence during final exams, they will be allowed to make up their final exam in January after Winter Break.

Athletics

All winter sports will be moved to Phase 1 immediately. Continual evaluation of county and local health metrics will be conducted to determine when to move into other phases.

Attendance

Per district policy, any student who exceeds 10 unexcused absences in a semester will receive a No Grade (NG) for their semester grade. Letters will be sent home with the appeal process if your student will receive a NG in one or more classes. Attendance appeals **MUST** be submitted to WGHS Administration in order to be evaluated during the appeal process. Failure to complete and submit an appeal will result in no credit.

Thank you for your understanding and flexibility during these difficult times.

Sincerely,

Dr. Teresa M. Hill
Principal
Walden Grove High School
