

SAHUARITA UNIFIED SCHOOL DISTRICT

Parental Consent Form for Middle School Advanced Math Placement

Dear Parent/Guardian,

By allowing my child, _____, to take an *Advanced Mathematics* course, we understand and accept the following conditions:

- 1.) My child may elect to withdraw from the class by the end of the first quarter if the course becomes too difficult. If my child is not successfully mastering the content, the school placement committee may choose to place my child in a different mathematics course.
- 2.) Students taking an advanced-level math course must be highly motivated with a strong desire to master math content at high levels.
- 3.) My child **must maintain** an overall course grade greater than **69%** to sustain placement within the *Advanced Mathematics* track system. Course retake is **recommended** for any student achieving a course average below **80%**.
- 4.) Semester grading and final exams will align to each "feeder" high school system.
- 5.) This advanced-level math course will be challenging. The following Advanced Mathematics courses will earn high school credit and the final grade will be posted on your child's official high school transcript: ***Algebra I and Geometry, including Honors Courses.***

I give permission for my child: _____
(Student's Name)

To participate in: _____
(Name of Advanced Math Course)

School: _____

School Counselor's Signature:

Parent's Signature:

Student's Signature:

Please return signed ***Advanced Math Placement*** consent form to your middle school counselor.
