*Meet Mrs. Dnew*

Hi! I'm Mrs. Drew, I'm a 5th grade teacher at Copper View Elementary School. I've been teaching in Southern Arizona for 14 years now but I'm from Bellevue, WA, a suburb of Seattle, WA.

I earned my BA in Elementary Education from The University of Arizona and my Masters degree in Education from Northern Arizona University. One day in the future I hope to earn my doctorate degree, too. Besides being a teacher, I'm married to a Tucson local and we are parents to two girls, ages 10 and 4. When I do have free time, you can probably find me with a book in hand or wandering the aisles of Target with a Starbucks drink in hand. I also love to travel and can't wait to see more of the world.

*Meet the Teacher*

I have a bachelor's degree in General Education from Western New Mexico University and an Early Childhood degree from Prescott College. Teaching is my passion. My most favorite thing to do is to travel and make memories with my family.
