Office of Administration

December 9, 2021

Red Wolf Community,

After twenty-nine years as an educator and eleven years as the principal of Walden Grove High School, I have decided to retire effective January 10, 2022. This letter is meant as an opportunity to show my gratitude to the Red Wolf community, as it is impossible to personally thank all the students, teachers, staff, volunteers, parents, business partners, and community members.

I will never forget the first time I drove through the pecan orchards to see Walden Grove during construction and instantly felt like I was home. Thanks to the amazing Sahuarita community, in January 2011, I was welcomed with open arms and trusted to build the foundation of Walden Grove High. The first few years working with staff and students to create a school where people wanted to be will be some of my most treasured memories. I have enjoyed watching the identity of who we are as Red Wolves evolve, and I am proud of the efforts we have all taken to make it an amazing school.

It has been an honor and privilege to work with an incredible staff to create a school climate where all students respect and value each other. During my tenure, I have experienced many high schools, and as I reflect on Walden, there are certain factors that make us unique. Seeing students treat each other with kindness, build relationships with others, and respect and appreciate others' differences are what set us apart from other schools. Hearing students say time and again the thing they love most about Walden is "there is no drama" and "we all get along" will stay with me forever.

Thanks to the dedicated staff and students, I have been blessed to see the fruits of our labor. I am grateful to have been a part of the A+ School of Excellence Award, nine team state championships, several individual state champions, superior ratings in band and drama, as well as a nationally recognized dance team. The foundation of excellence has been set in academics, programs, and athletics, and I am confident the Walden Grove community will continue to excel in the future

I am committed to ensuring a smooth transition, and confident Walden will continue to flourish in the hands of Mrs. Kristen Miller, who has been appointed as interim principal. I am confident she and the Walden Grove administration and staff will continue to set high expectations and expect nothing but the best from our students.

Walden Grove High School will always hold a special place in my heart, and as I always say to those who move on, "Once a Red Wolf, Always a Red Wolf."

With sincere gratitude,

A handwritten signature in black ink that reads "Dr. Teresa M. Hill". The signature is written in a cursive, flowing style.

Dr. Teresa M. Hill
WGHS Principal
