Dear Roadrunner Families,

Due to the bus route suspensions we are experiencing, we have been actively working with district representatives and law enforcement to come up with ways to help support the additional traffic during student drop-off each morning. **Starting on Monday, August 29<sup>th</sup>, we will be opening the bus loop gate which will provide an additional drop-off area.** We will open the gate AFTER buses depart in the morning. We will have a staff member by the gate to signal when the area can be entered. Please make sure to pull all the way around and pull up as far as you can go before allowing your child to exit the vehicle. We will not have as many staff members available to open car doors and so we ask that your children exit the vehicle on their own as quickly as possible. We ask that you only allow them to exit on the sidewalk for safety purposes. The front drop-off area will still be an option for drop-off. It is our hope that by having two options, traffic will be minimized and students can enter the school before 7:20a.m. so they will not be tardy. We will only offer this second option for parent drop-off during the weeks that have canceled bus routes. **Parent pick-up by the library will be the only option for parent pick-up.**

Thank you for your continued help with this challenging situation.

Respectfully,

*Shelly Lizardi*
