Dear Roadrunner Families,

In an effort to help with the long lines during parent pick-up we are going to try a one week trial of opening our bus loop lane for **middle school student pick-up only**. Starting on October 17th at 2:10p.m. (1:10 p.m. on Wednesday) we will open the bus loop gate for middle school parents to pick up their student. If you have an elementary student AND a middle school student we ask that you time your arrival appropriately. We cannot have any cars parked out on the street waiting for the bus loop to open. You will need to pick up your elementary student in the normal pick-up area by the library and then go to the bus loop to pick up your middle school student. You will not be able to pick up you middle school student until 2:10p.m. (once the buses have departed). Our hope is that this will alleviate the long lines in the front. It is very important that you arrive at the appropriate time for your students. **Please ensure that you arrive at the time of your oldest student so as not to hold up the car line.** Here are the dismissal times:

K-2nd grade: 1:55p.m.

3rd-5th grade: 2:00p.m.

6th-8th grade: Bell rings at 2:05p.m. but students will not be at the bus loop until 2:10p.m.

Thank you for your help with this trial run. If it proves to work effectively we will continue with it past the one week trial.

Respectfully,

Shelly Lizardi
