There's a new book out about Sahuarita and the surrounding communities! Learn about the local history while helping SEEF with your purchase!

Recently, the Friends of Sahuarita composed a story of Sahuarita and the surrounding communities as told through the voices of local folks and their families who have lived here for generations. The book took about six years to write and honors the rich legacy of our community.

You can help to support the Sahuarita Educational Enrichment Foundation (SEEF) through the purchase of the book, "Sahuarita, Arizona: Treasured Nuggets From the Past" on Amazon. Five dollars from each purchase will go to SEEF.

SEEF is a nonprofit organization established in 2003 with the mission of enriching educational opportunities in the Sahuarita Unified School District (SUSD) and throughout the community.
