Attendance

Reminders

Sahuarita Digital Pathways Academy is officially its own school this year! As an approved online school, we have mandatory attendance guidelines that we have to follow in order to operate. We are required to report daily attendance minutes for our SDPA students. A strong home-school partnership is needed in order to complete this required task. We need your help each school day to meet this guideline.

All SDPA students will need a Daily Attendance Log completed by a parent or guardian EACH school day.

Sahuarita Digital Pathways Academy AOI Daily Attendance Log: K -12

Each school day, you will submit the Google Form to report the total number of minutes that your child engaged in their school-related activities including:

- Time spent in live Google Meets (including lessons, Homeroom, Academic Enrichment, and Elective Enrichment).
- Time spent working on asynchronous activities in Google Classroom, Seesaw, i-Ready, Edgenuity, or another online platform.
- Time spent working 1-on-1 with a teacher or learning coach.
- Time spent working on projects, independent reading, writing, or completing offline assignments.
- Time spent working on special activities like Library, Music, PE, Computer Lab, Counseling, etc.

A separate Google Form needs to be completed for each child. Per board policy, students with 10 consecutive absences will be withdrawn. Forms are due each school day by midnight. Thank you so much for your partnership in this process!
