## MINUTES

### NOTICE OF PUBLIC MEETING

*REGULAR GOVERNING BOARD MEETING*  
JANUARY 26, 2011 – 6:30 P.M. DISTRICT AUDITORIUM, POD B  
350 W. SAHUARITA ROAD – SAHUARITA, AZ 85629

#### I. **Call to Order and Pledge of Allegiance**

President Tom Murphy called the meeting to order at 6:33 P.M. Also in attendance was Board Clerk, Kris Ham, Members Elaine Hall, Diana Kellermeyer, and David Eves; Business Manager, Charlotte Gates; Superintendent Dr. Manuel Valenzuela, and Assistant Superintendent Scott Downs. There were 64 guests. The Pledge of Allegiance was observed.

#### II. **Approval of Agenda**

The superintendent recommended approval of the agenda as it was revised. Mrs. Ham made the motion and was seconded by Mrs. Hall. The motion carried.

#### III. **Approval of Minutes – January 12, 2011**

The superintendent recommended approval of the January 12, 2011 minutes as posted. Mrs. Kellermeyer made the motion and was seconded by Mrs. Hall. The motion carried.

#### IV. **Approval and Ratification of Vouchers**

Mrs. Gates recommended ratification of previously approved payroll Vouchers 14 in the amount totaling \$942,111.05 and new payroll #17 for the period ending February 18, 2011, in the amount not to exceed \$2,000,000. She further recommended approval of expense vouchers 1040 through 1042 in the amount of \$1,651,121.67. The motion was made by Mrs. Hall and seconded by Mrs. Ham. The motion carried.

#### V. **Call to the Public**

#### VI. **Recognition of Staff, Students and Community**

##### A. **January “Leaders in Character” Honorees**

Dr. Valenzuela introduced the following January “Leaders in Character” Honorees – Brenda Vasquez, 2<sup>nd</sup> Grade, Sopori; Ashley Allen, 3<sup>rd</sup> Grade, Anza Trail; Payton Hussman, 2<sup>nd</sup> Grade, SPS; Byron Brown, 3<sup>rd</sup> Grade, SIS; Brandon Sanchez, 7<sup>th</sup> Grade, SMS; Alyssa Salazar, 11<sup>th</sup> Grade, SHS. The Governing Board recognized the above students for their excellent display of leadership and service among their peers at each of their perspective schools. Each student received a framed certificate and a gift certificate to Borders thanks to

the sponsors of Freeport McMoRan. Dr. Valenzuela thanked Freeport McMoRan for sponsoring the program.

## **VII. New Business**

### **A. Instruction – Discussion and Possible Action – None**

1. Cyberbullying Research Request – Drs. Sheri Bauman & Noel Card from the University of Arizona.

Dr. Valenzuela provided the Board with a recap of Drs. Sheri Bauman & Noel Card's presentation at the last Governing Board meeting which they presented the emerging area of research specifically on cyberbullying. In most recent news, there were reports of a cyber related incident against a school. It was reported that there was a threat made and police were involved. Dr. Valenzuela stated that the study presented by Drs. Bauman and Card is focused on understanding the critical attributes of cyberbullying. The study compares and contrasts on how it is relative to traditional research on bullying as well as its emergence of its own domain. At the last Board meeting, there was a request from the Board for additional information. Dr. Valenzuela reviewed the documents once again and provided the Board with all the documentation.

In Dr. Valenzuela's own review, he stated that the surveys appear to be extensive and in his judgment they are not only appropriate but leveled for the different grade levels. In addition, Drs. Bauman and Card submitted their complete human subjects' protection program which is a very rigorous process that all researchers have to go through at the University of Arizona. In summary, Dr. Valenzuela found the research to be relevant and it has the potential to inform our understanding of areas of education that are impactful and meaningful to us. It helps the District to potentially understand more about this area and in doing so, it gives us the ability to develop prevention program to address the issue in a preventative way for the future. The study has very strong safeguards, communication, and ethical dimension that were addressed at the last meeting and are addressed as much as they are able to be. After an additional review of the documentation, Dr. Valenzuela recommended the approval of the District's participation in this study. A motion to approve the Cyberbullying research request as it was presented was made by Mrs. Kellermeyer and seconded by Mrs. Hall. The motion carried.

Mrs. Kellermeyer stated that one thing she did not see was what students would be handed in terms of resources in the event that they feel that they have been bullied. She asked if all students such information as part of the participation packet. Dr. Card stated that he thought it was a great idea and it was not one that they anticipated and planned on but he would be happy to agree that they add this to the research packet. Mrs. Kellermeyer stated that it would be that the District would help formulate and be part of the packet whether they participated or not.

Dr. Valenzuela stated that it is a good idea to do so even though it is outside of the specific scope, it supports the mission of what they are trying to accomplish. Dr. Card agreed.

2. Review of the 2011-2012 School Calendar

Included in the Board packet was the first attempt at the school calendar for 2011-2012. The superintendent shared information regarding the calendar and recommended that we

the District table the calendar by posting it on the website and sharing with administrators, staff, and parents for review. Dr. Valenzuela anticipates bringing it back at the next Board meeting for action. A motion to table to the 2011-2012 school calendar was made by Mrs. Ham and seconded by Mrs. Kellermeyer. The motion carried.

Mr. Murphy stated that in years past, there was a conflict with State testing and asked if such dates were reviewed and included in the calendar. Dr. Valenzuela stated that the State testing calendar and the projected windows are included in the draft and there are no major conflicts.

## **B. Business – Discussion and Possible Action**

### **1. Walden Grove Transition**

Dr. Valenzuela stated that this has been an item that we have been working on diligently. Our objective is to provide information, be as inclusive as we can, provide opportunities for feedback, and craft the most logical and balanced plan to open the new school. He stated that the new school will be a wonderful educational center. Dr. Valenzuela understands that change is a challenge and in trying to make it as smooth as possible, he feels that it is wise to invest this time. In summary, it is a balance of really trying to identify logically and efficiently a viable number of students to start and create that initiation of the new school while taking into consideration some of the programmatic and logistical needs in making that change.

A presentation from Mr. Downs and Mrs. Hill was given. A review of the student input questionnaire was provided to the Board and the public. The 8<sup>th</sup> grade student survey results were shared as follows:

#### **ANZA (8th Graders)**

- 47.7% (53) - SHS
- 47.7% (53) - WGHS
- 4.5% (5) - Don't Care

#### **SMS (8th Graders)**

- 74.4% (154) - SHS
- 24.6% (51) - WGHS
- 1% (2) - Don't Care

The 9<sup>th</sup> grade student survey results were shared as follows:

#### **SHS**

- **(From ANZA)**
  - 91.4% (53) - SHS
  - 6.9% (4) - WGHS
  - 1.7% (1) - Don't Care
- **(From SMS)**
  - 88.8% (119) - SHS
  - 9.7% (13) - WGHS
  - 1.5% (2) - Don't Care
- **Continental**
  - 81% (17) - SHS
  - 14.3% (3) - WGHS

- 4.8% (1) – Don't Care
- **Don't Know**
  - 91.3 % (21) - SHS
  - 8.7% (2) - WGHS
  - 0% (0) - Don't Care

The survey compilation was shared as follows:

	SHS	WGHS	Don'tCare	
9th	207	104	7	318
10th	211	23	4	238
<b>TOTAL</b>	<b>418</b>	<b>127</b>	<b>11</b>	<b>556</b>
	<b>75.2%</b>	<b>22.8%</b>	<b>2.0%</b>	<b>100.0</b>

Mr. Downs explained that important aspects that were considered such as allow next years juniors and seniors to stay at the current facility to conclude their school career. In addition, it is important to maintain student cohorts such as Anza Trail and SMS. Equal assign into both SHS and WGHS because the School Facilities Board recommended the same student capacity at both schools. In addition, it is important to balance student population's demographics the same while creating minimal disruption to current schools and boundaries.

Mr. Downs shared preliminary thoughts of how each school middle school will feed into both high schools. It was suggested that the students who attend the main campus go to SHS and those who schools who are not located on the main campus such as Anza Trial, Continental would feed into WGHS.

Mrs. Hill presented the proposed student population for WGHS is as follows:

**1st year 2011 - 2012**

- Freshman & Sophomores

**2nd Year 2012 - 2013**

- Freshman, Sophomores & Juniors

**3rd Year 2013 – 2014**

- Freshman, Sophomores, Juniors & Seniors

The goal is to have enough student population to be able to be have enough teachers in order to formulate a schedule that is meaningful. There has to be enough teachers in order to offer classes such as P.E., art, music, English, math, JTED classes, electives, etc. In order to do so you have to have enough number of students to have enough teachers. Right now, with the scenario presented there will be 397 students go to WGHS with just freshman and sophomores.

Mrs. Hill presented the approved sports at WGHS for 2 years per AIA requirements are as follows:

**Freshman & JV Sports**

- Fall

- Football – JV
- Volleyball – Freshman & JV
- Cheerleading – JV
- **Winter**
  - Boys and Girls Basketball – JV & Freshman
  - Boys and Girls Soccer – JV
- **Spring**
  - Baseball – JV
  - Softball - JV

Mrs. Hill stated that AIA works in two year blocks. In speaking with the representative from AIA , she asked if she had enough golfers who wanted to participate in golf could we create a golf team the second year. AIA stated that if they are not team sports then you could add some extra team. In addition, if there are enough varsity players a varsity team can be added. AIA understands that with a new school there is flexibility and they are willing to work it out.

Mrs. Hill shared the proposed classes at WGHS and stated that the needs of the actual student population will be used to ultimately determine the final master schedule.

- JTED – Robotics, Photography, Graphic Design, Law & Public Safety, Business Operations, Education Professions
- Classes – Math, English, Sciences, Social Studies, PE/Health, Spanish.
- Fine Arts – Band, Orchestra, Choir, Art, Dance, Guitar/Keyboard.
- Others – Yearbook, Student Council.

She shared that the master schedule will be based on student interest. Although these are classes that will be offered and students are not interested in a particular class then the class will not be offered. There has to be enough interest to create a class subject. Mrs. Hill stated that the committee came up with a creative way for those students who wanted to take a particular class not offered on a particular site could take a class at the provided site. The administration will determine the demand for classes such as culinary arts, construction, automotive, audio visual, ROTC, and robotics and thus establish the feasibility of offering a zero hour. Mrs. Hill explained that if a zero hour class is taken the student must provide their own transportation to school their non home school. Transportation will be provided after the zero hour course, to their home school. Mrs. Hill stated that once again, there has to be enough students enrolled in a particular subject/class in order to offer the subject to students.

Mrs. Hill explained the open enrollment to SHS as follows:

- Siblings
  - If siblings of Cohort 2012 (12th) and 2013 (11th) have siblings that would concurrently attend SHS, can apply for open enrollment, if desired. **(72)**
- Sports
  - Current students in Tennis, Golf, Wrestling, Cross Country and Track, who will continue in that sport, or any current Varsity athlete, can open enroll

at SHS, if desired, for the same sport. (**Varsity 6, ANZA wrestling 6, Others? <30**)

- Courses
  - Any student who is in the Walden Grove attendance boundary, who has exhausted all course options at Walden Grove, may apply for open enrollment, if a higher level course is needed. (**minimal**)

Mrs. Hill explained that all students who are granted open enrollment by the school principal, are conditionally approved and may remain at SHS, so long as they remain in the program that permitted their open enrollment, and capacity exists. The principal may approve any other extenuating circumstance.

Mrs. Kellermeyer asked that if a student is in varsity wrestling as a sophomore and they decide not to take wrestling their junior year, will the District make them go to the other school or once they are in that school they get to stay.

Mr. Downs stated they would want them to stay, especially since they are so close to graduation and cannot guarantee that as it will be based on the high school capacity. As Walden Grove grows in enrollment we will have less of a need to have those students come back.

Mrs. Kellermeyer stated that in her opinion if you have a freshman now who happens to be on the varsity team, decides to stay their sophomore year, and then decided to take trigonometry instead of trying out for cheerleading. The student now spent two years at that high school to uproot them and make them move does not make a lot of scenes. Mr. Downs agreed that's why right now the philosophy to keep next year's juniors and seniors to stay and finish out their school years at SHS.

Mrs. Kellermeyer stated that as popularity grows and the capacity grows it will get better. It's going to be a rough tough year but after that it will be a school just like SHS and we all just have to get through the first year and everything will be normal.

Mrs. Hill explained the open enrollment to Walden Grove as follows:

- If the student's grade level is being offered at Walden Grove, the student may apply for open enrollment through the 2013-2014 school year, if capacity exists. If the student elects to go back to their home school after attending Walden Grove, future open enrollment applications may not be considered.

Mr. Downs shared the current timelines of public input & update on addressing concerns as follows:

**October 28, 2010 - Public Input, Pod B, 6:30pm**

Concerns - Siblings may be at different schools due to Junior and Seniors staying at SHS, NJROTC, and Advanced Classes

SUSD Response – Siblings allowed to apply for open enrollment, so long as concurrent enrollment exists, and space exists.

SUSD Response – Both WGHS & SHS looking at offering advanced classes

SUSD Response – Offering Zero hour of JTED and NJROTC classes (if enough student interest exists)

**November 2, 2010 - Public Input, Pod B, 6:30pm**

Concerns - NJROTC, Band

SUSD Response - Offering zero hour JTED and NJROTC classes (if enough student interest exists), BAND offered at WGHS.

**January 18, 2011 – Presentation of Boundaries, Public Input, Pod B, 6:00pm**

Concerns – Neighborhood directly north of main campus should walk to SHS

SUSD Response – This would save 2 buses. Splitting existing cohorts 9- 12, or redrawing K-12 boundaries is not recommended.

**January 26, 2011- Board Presentation**

*Mr. Downs requested that the Board allow more time for Stakeholder Input via Facebook, Twitter, Powerpoint on website, e-mail account for comments. He requested that the transition team determine final suggested protocol for the next Governing Board meeting on February 9, 2011 (final boundaries, open enrollment issues, zero hour classes, etc.) In addition, Mr. Downs requested to accept open enrollment applications (by defined scheduled dates): to determine final school enrollments and to determine (for both SHS & WGHS): student needs, master schedule, appropriate staffing, employee transfer protocol, hire for new positions. Mr. Downs invited community members to please provide by email at [wgforum@sahuarita.net](mailto:wgforum@sahuarita.net) or contact Scott Downs, Assistant Superintendent at 520-625-3502 ext. 1007 or Teresa Hill, Walden Grove Principal at 520-625-3502 ext. 1000.*

Mrs. Kellermeyer stated that she was at the public forum the other night and one of the questions was regarding AP classes. She stated that there are several kids coming from Anza who are targeting AP classes. She asked Mrs. Hill if that was something that is going to be offered at Walden Grove so that you can still get them to your campus.

Mrs. Hill stated that she and Mr. Thompson have been communicating regarding the possibility of both schools having honors or advanced placement classes for 9<sup>th</sup> and 10<sup>th</sup> graders. Both schools feel very strongly about providing all Sahuarita students with the same quality of education to both schools.

Mr. Murphy asked for a report as to how many people attended the forum, questions, and input from the community.

Mr. Downs reported that at the first forum they had 15-18 community members attend the forum. The second forum was approximately the same, and the last forum approximately 50 community members attended.

Dr. Valenzuela stated that there was no recommendation at this time. He stated that in the investment of these next two weeks to provide and gather more information, Mr. Downs will be meeting with the entire transition team committee to provide them with update information and get updated input. In the interest of really providing these students who

tentatively could be going to Walden Grove, the District is trying to work out some kind of presentation that may include a tour of the campus which would help students connect. Unlike Anza Trail, Walden Grove is a construction path and not easily accessible in the construction process.

Mr. Eves commented on his observation. He had a chance to tour the facility and for those who have not had an opportunity and the opportunity does come; the school is a state of the art new school and is something to be excited about. Mr. Eves shared that he has a junior at the high school and a fifth grader at Anza. His household will be able to enjoy both experiences in Sahuarita. One will have the Mustang gold and the other is going to have the Walden Grove red. Mr. Eves stated that there was a time in the household when they were not so sure that it was a good thing but after being able to tour the facility they are excited about it.

Mr. Murphy stated that when she mentioned that to her 9<sup>th</sup> grader she stated that the rumor was that the school is ugly. He stated that all of us have had the opportunity to tour the school but in the absence of reality, perception takes over and obviously anything but that. It is funny how perception gets filled in from lack of any other information. If the tour can be worked out, Mr. Murphy feels that it would be fantastic and is aware of safety concerns have to be taken into account.

Mrs. Kellermeyer stated that she would be in the same situation where she will have one student graduated from Sahuarita High School and the other from Walden Grove High School. She stated that it is fun because they already compete.

### **C. Governing Board – Discussion and Possible Action**

#### **1. Approval for Date Change to Policy CBI – Evaluation of Superintendent**

Included in the Board packet was the ASBA Governing Board policy CBI– Evaluation of Superintendent. Dr. Valenzuela will recommend a date change to read as follows:

“The Governing Board Shall evaluate the Superintendent at least once each year.

The evaluation(s) shall relate to the Superintendent’s duties, responsibilities, and progress toward established goals.

The Superintendent shall provide each member of the Board a copy of the evaluation instrument no later than **May 15th**. The Board President shall schedule a meeting no later than **June 30th**, when the Board will devote an executive session to the evaluation of the Superintendent’s performance, to discuss working relationships between the Superintendent and the Board, and to review the Superintendent’s contract (with the Superintendent present).”

The Superintendent evaluation process is currently set for December 18<sup>th</sup>. This change will coincide with the District goal setting process.

The motion to make the date change as proposed to policy CBI was made by Mrs. Kellermeyer and seconded by Mrs. Hall. The motion carried.

### **D. Personnel - None**

## VIII. Superintendent/Administrative Reports

Dr. Valenzuela informed the Board that the District has been working diligently to install a new upgraded state of the art camera system for our busses. We thought we were getting really close as Mr. Ramsey and Mrs. Gates have been working diligently and thought we had something lined up through the Mohave contract and found out that there has been a technicality that suggests that we may not be able to do it so easily. We are going through the process with a formalized RFP which will hold back the process by a couple of months. However, it is not going away and is on our radar and moving forward.

Dr. Valenzuela stated that the State continues to struggle significantly with major budgetary woes. You are hearing about multiple proposals, new bills, and at this point we are trying to prepare ourselves. We do know that they are facing a significant shortfall. The legislature suggested one proposal which involves reducing the number of days that they ask kids to be in school but extending the length of the day. Dr. Valenzuela has had some discussions with people in the community including Board members about the implications on programs and transportation in the rural area where kids are already getting home late and getting up really early. He stated that these are things that may need to be thought out a little more at the legislative level. Dr. Valenzuela stated that part of the challenge right now comes down to uncertainty. We are good at resourcefulness and planning but it is really difficult to adjust when the things that you are lead to believe are a certain way change, such as mid-year cuts. At this point, we are still looking at the possibility of significant mid-year cuts but we do not know what they are or when they are coming. Dr. Valenzuela stated that we are being conservative with our money policy and minimizing expenditures and preparing to absorb the impact of budget reduction as much as we can, while keeping an eye on protecting programs, jobs, and maintaining the service that we provide.

Dr. Valenzuela stated that among many blessings in our community, one of the greatest is the support that we have from our local community because if it's our local community, we have local control. If we have that control, we have the ability to direct those funds which cannot be taken from us. Our capital override provided the District the ability to absorb some of the cut backs from the State. Likewise, the support for our bonds and maintenance and operation override.

Dr. Valenzuela reported that the high school robotics program qualify for the National and the World Championships. He stated that three students from Anza Trail School have entered essays in the Fleet Reserve Association Americanism essay contest. They had students place and are now going on to the southwest regional. Sahuarita Middle School received the \$500.00 mini grant from Freeport McMoRan and will be using that to support their career day which has become a tradition at the middle school. Dr. Valenzuela stated that we have outstanding students achieving at the highest levels and are being recognized.

Dr. Valenzuela stated that our community has been impacted by the devastating tragedy that occurred about two and a half weeks ago. Like a lot of community members, we've had the opportunity to give kids support and extend good wishes. Dr. Valenzuela presented the Board with a picture of a card from Sopori students that sent get well wishes to the individuals involved. In addition, our kindergarten and 1<sup>st</sup> grade students at Anza Trail decorated lunch bags that were prepared by a church in the community which were taken to the Border Patrol Agents who attended the Bryan Terry memorial at Kino Sports Park.

Mrs. Kellermeyer requested that before the year ends that we need to recognize the robotics team, teacher, and principal. Those students that were here were so excited and she had never seen students be so excited about something. They moved in clusters and could have been here all night with them and it is impressive that in the past two years they have made it to Nationals, which is extremely impressive and worthy of Board formal recognition. Dr. Valenzuela agreed.

Mrs. Kellermeyer requested the District enrollment numbers. Dr. Valenzuela reported District enrollment at 5,204.

## **IX. Consent Agenda – Discussion and Possible Action**

Dr. Valenzuela requested approval of items on the consent agenda as it was presented. The motion to approve of items on the consent agenda was made by Mrs. Hall and seconded by Mrs. Kellermeyer. The motion carried.

### **A. Employment / Change of Status / Transfers**

1. Michael H. Munkelnbeck, Wrestling Coach, ATS, Replacement – Effective 01/10/11
2. Cindy Lou Peck, Classroom Assistant, ECC, Status Change – Effective 01/17/11

### **B. Resignations / Terminations / Separations**

1. Anna M. Garcia, Classroom Lead, ECC, Resignation – Effective 01/21/11
2. Martin V. Noriega, Turf & Irrigation Specialist, Maintenance/Facilities, Termination – Effective 01/27/11
3. Jorge R. Salazar-Martinez, Inventory Control Technician, Warehouse, Resignation – Effective 01/12/11
4. Ian H. Spencer, Herbicide Application Technician, Maintenance/Facilities – Effective 01/28/11
5. Diana Urbina, Classroom Assistant, ECC – Effective 01/06/11
6. Sabrina N. Moreno, Campus Monitor, SPS, Resignation – Effective 01/28/11 ++

### **C. Request for Leave of Absence**

1. Andrea J. Serrano, Speech Therapist, Student Services – Effective 02/03/11 – 02/20/11

### **D. Volunteers**

1. Lea Klopff, District ++
2. Manuel Vasquez, District ++

### **E. Gifts and Donations**

1. Boxtops for Education, \$236.00 – Sopori
2. Freeport McMoRan, \$500.00 – SMS Career Day
3. SMS PTO, \$611.00 – SMS Renaissance Transportation
4. Freeport McMoRan, \$496.00 – Anza Trail School
5. Lisa Hernandez, New Books to the SMS Library
6. Freeport McMoRan, \$435.00 – SHS
7. Boxtops, \$46.50 – SIS
8. Kroger, \$500.00 – SIS

9. Freeport McMoRan, \$500.00 – SIS
10. El Charro Café, \$63.12 – SIS
11. Boxtops, \$236.60 – Sopori
12. Optimist Club of Green Valley – Sahuarita, \$250.00 – SMS Success After School
13. Optimist Club of Green Valley – Sahuarita, \$250.00 – SMS PBIS
14. Optimist Club of Green Valley – Sahuarita, \$270.00 – SMS Renaissance Festival
15. Freeport-McMoRan, \$500.00 – SPS Field Trip
16. Optimist Club of Green Valley – Sahuarita, \$93.00 – SPS
17. Lifetouch, \$1,065.00 – SIS
18. Freeport-McMoRan, \$500.00 – SIS 4<sup>th</sup> Grade Science Fair
19. Sertino's Coffee & Ice Cream, \$600.00 – SMS
20. Sertino's Coffee & Ice Cream, \$800.00 – SIS
21. Freeport – McMoRan, \$500.00 – Sopori
22. Various, \$229.00 – 6<sup>th</sup> Grade Anza Trail Trip
23. Mr. & Mrs James Rawlings, EZGO Golf Cart – SHS Auto Department ++

**F. Use of School Facilities - None**

**G. Out of State Travel/Student Travel**

1. SHS Softball to participate in a softball tournament from March 4-5, 2011 in Wickenburg, AZ.
2. SHS Wrestling Team to travel to Prescott, AZ from Feb.11-12 to participate in State Competition.
3. Karin Rojahn & Tami Kempton to attend the National Science Teachers Association (NSTA) Convention in San Francisco from March 10 – March 13, 2011.
4. Bryce Bond to attend the Mid Winter Leadership Conference for JTED Directors in Prescott, AZ from February 3-4, 2011.

**H. Approval of Student Activity and Auxiliary Accounts Revenue and Expenditure Reports – Month Ending December 31, 2010**

**X. Board Communication**

Mrs. Kellermeyer reported that she did not have the opportunity to attend the Robotics competition but was able to attend the District Band Day Concert. She reported that the students performed very well and stated that it's too bad that we do not send out the information to community members in Green Valley because they are always looking for music.

Mr. Eves stated the grand opening of the pedestrian underpass was fantastic. He took value of the grand opening back to his wife and was impressed. He stated that the art work by the students was fantastic, first class, and top shelf.

Mr. Murphy agreed and stated that between the JROTC, jazz band, drum line, culinary arts, public art and the flash mob was a wonderful participation from all. He stated that if the underpass saves one life over the time of the underpass, it will be money well spent. Mr. Murphy congratulated Mr. Harcourt and his team for their continued professional development.

**XI. Establish Next Board Meeting – February 9, 2011 – 6:30 PM – District Auditorium**

**XII. Executive Session – Discussion and Possible Action - None**

**XIII. Adjournment**

The meeting was adjourned at 7:44 p.m. Mrs. Ham made the motion and was seconded by Mrs. Kellermeyer. The motion carried.

Respectfully,

---

Clerk of the Board
