V. Call to the Public

Mary A Chernoski – Teacher at SMS – Thanked Mrs. Kerri Carlton as she will be leaving the SMS family in June. Kerri is part of the Carlton tandem which has served the school District faithfully for many years. Today is sad to realize that the other half of the tandem will understandably be leaving us in June. I just want you to all know the sacrifices that this noble woman has made to support SMS and our community. Being a military wife, I could write a book on this issue but let me just state that besides being an effective administrator at SMS, she is currently both mother and father to two bubbly, energetic, and adorable children. Recently, Kerri has gone through the biblical plagues with the host of illnesses and chronic childhood conditions. She has still come to work smiling and has faithfully a quote of the day for the staff as our anticipatory set which is sometimes pointed and sometimes whimsical. Additionally, Kerri will challenge our students and staff in numerous ways. The prize is not only the self satisfaction of doing a good job but Kerri's homemade brownies which we will miss our Julia Child. I considered myself being truly blessed by serving with two outstanding administrators, Kerri Carlton and Stephanie Silman who regularly put their lives on the back

burner to address the needs of our school community and our school District. This dynamic duo complements each other well and Kerri's absence will be felt, I'm sure, not only by Stephanie Silman and our staff at SMS but our entire SUSD community.

Vonnie Hinojosa – PO Box 1548, Sahuarita, AZ – Parent of SHS Student – Agenda Item VII.B.1.

Carl Ortiz, 1821 Quail, Amado, AZ – Parent – Agenda Item VII.B.1

VII. New Business

A. Instruction – Discussion and Possible Action

1. Approval of the 2011-2012 School Calendar

Included in the Board packet is the latest draft copy of the proposed 2011 – 2012 school calendar. The calendar has been posted on the District webpage and comments from teachers and staff have been favorable. Dr. Valenzuela also reported that the calendar was revised based on feedback obtained by the Parent Advisory Committee, Certified Advisory Committee, and the Teacher Advisory Committee. Dr. Valenzuela stated that the calendar is instructionally sound and the District meets all requirements of the law. Dr. Valenzuela recommend approval of the 2011-2012 School Calendar as presented. **EXHIBIT "A."**

A motion to approve the 2011-2012 School Calendar as it was presented was made by Mrs. Hall and seconded by Mrs. Kellermeier. The motion carried.

B. Business – Discussion and Possible Action

1. Walden Grove Transition

Mr. Downs provided the Board with an abbreviated presentation. He stated a lot has transpired within the last two weeks. By Dr. Valenzuela's direction, he wanted to wait two more weeks to obtain additional community input and listen to any additional concerns. Mr. Downs stated that it is going to be his official recommendation to Dr. Valenzuela and the committee to go with the slides that the Board was presented at the last Board meeting. The committee's recommendation is that students who attend the main campus go to SHS and those who schools who are not located on the main campus such as Anza Trail, Continental, and Sopori feed into WGHS. Mrs. Downs proposed student population for WGHS is as follows:

1st year 2011 - 2012

- Freshman & Sophomores

2nd Year 2012 - 2013

- Freshman, Sophomores & Juniors

3rd Year 2013 – 2014

- Freshman, Sophomores, Juniors & Seniors

Mr. Downs explained the open enrollment for SHS as follows:

- Siblings
 - If siblings of Cohort 2012 (12th) and 2013 (11th) have siblings that would concurrently attend SHS, can apply for open enrollment, if desired. **(72)**
- Sports
 - Current students in Tennis, Golf, Wrestling, Cross Country and Track, who will continue in that sport, or any current Varsity athlete, can open enroll at SHS, if desired, for the same sport. **(Varsity 6, ANZA wrestling 6, Others? <30)**
- Courses
 - Any student who is in the Walden Grove attendance boundary, who has exhausted all course options at Walden Grove, may apply for open enrollment, if a higher level course is needed. **(minimal)**

Mr. Downs explained that all students who are granted open enrollment by the school principal are conditionally approved and may remain at SHS, so long as they remain in the program that permitted their open enrollment, and capacity exists. The principal may approve any other extenuating circumstance.

Mr. Downs explained the open enrollment to Walden Grove as follows:

- If the student's grade level is being offered at Walden Grove, the student may apply for open enrollment through the 2013-2014 school year, if capacity exists. If the student elects to go back to their home school after attending Walden Grove, future open enrollment applications may not be considered.

Mr. Downs stated that the committee, Mrs. Hill, and Mr. Downs feels that they have really spent their time on the process. They have done their homework, research, listened to community input, addressed concerns that they possibly can and understand that the four years that students are in high school are the most important four years. In addition, Mr. Downs shared the current timelines of public input & update on addressing concerns as follows:

October 28, 2010 - Public Input, Pod B, 6:30pm

Concerns - Siblings may be at different schools due to Junior and Seniors staying at SHS, NJROTC, and Advanced Classes

SUSD Response – Siblings allowed to apply for open enrollment, so long as concurrent enrollment exists, and space exists.

SUSD Response – Both WGHS & SHS looking at offering advanced classes

SUSD Response – Offering Zero hour of JTED and NJROTC classes (if enough student interest exists)

November 2, 2010 - Public Input, Pod B, 6:30pm

Concerns - NJROTC, Band

SUSD Response - Offering zero hour JTED and NJROTC classes (if enough student interest exists), BAND offered at WGHS.

January 18, 2011 – Presentation of Boundaries, Public Input, Pod B, 6:00pm

Concerns – Neighborhood directly north of main campus should walk to SHS

SUSD Response – This would save 2 buses. Splitting existing cohorts 9- 12, or redrawing K-12 boundaries is not recommended.

January 26, 2011- Board Presentation (Dr. Valenzuela requested 2 more weeks of public input

Concerns – No new Public Concerns

February 1-7, 2011 - 397 students on WGHS Tour

February 9, 2011 – Committee recommendation to Dr. Valenzuela (No New Public Comments)

Mr. Downs stated that the student tours made a significant influence on the students. After the tours, the students were asking questions in a positive manner compared to the beginning of the tour. Mr. Downs recommended approval of the committee recommendation as presented.

CALL TO THE PUBLIC:

Vonnie Hinojosa – PO Box 1548, Sahuarita, AZ – Parent of Freshman SHS Student – Agenda Item VII.B.1. – She stated that her daughter was sick the day they took the kids over to Walden Grove for the tour. Ms. Hinojosa spoke to Mrs. Hill regarding her concern. She requested that the Board consider the requirements for open enrollment. She does not think that the policy does not categorize or cover all students that should be allowed to continue. Her daughter happens to be one of the students that currently takes a zero hour to be in jazz band in addition to culinary which are her goals to do professionally as careers. With attending Walden Grove she was told that she would have to give up one or the other because the only opportunity would be a single zero hour. This means she would either have to take culinary or jazz band. She asked that with open enrollment there are other options besides the three that are posted.

Carl Ortiz, 1821 Quail, Amado, AZ – Parent – Agenda Item VII.B.1 – He just learned about a situation where Sopori students will end up going to the new high school. He stated that he believes that he speaks for other families besides his. The big concern is the commute and stated that he is not sure about the commute time as he feels seems to be an additional 15 minutes from the high school. He was wondering if the Board knew about the estimated commute time because everyone has a big commute as it is now. For his family it is 45 minutes each way and an hour and a half every day that the students sacrifice on the bus. For the families in Arivaca, the commute time is even longer. If a student is in sports they get home about 6:30 or 7:00 p.m. then it is eat, sleep, and get up again at 5:30 a.m. He hopes that the District has considered the commute time.

Timothy Fitzsimmons – 15753 S. Camino Del Dragon, Sahuarita, AZ 85629 – Parent – Agenda Item VII.B.1 – He stated that his son is a varsity tennis player and stated that he spoke to Mrs. Hill about this. The plan for the varsity athletes but is not familiar with the regulation, but thinks that what is being implemented is actually contrary to the intent of the regulation. The regulation as he understands it is to prevent a school from “cherry picking” athletes but what you have happening right now is that Sahuarita High School “cherry picking” the best athletes of Walden Grove and does not understand why those students could not go to Walden Grove and then play the sport.

Dr. Valenzuela stated that the District has carefully tried to move very methodically and very carefully to provide a lot of opportunity for public input and really sincere listening and consideration. We know that change is tough for all of us and it will pose its challenges. However, it also opens new doors and opportunities for the future and that is what we are trying to keep in mind. Dr. Valenzuela stated that he is satisfied and content that the channels have been very open and that there have been opportunities for communications through multiple avenues, forums, and online convenient technology based communication, and tours. There has been change based on the input received. He stated that although it is not perfect and that there are very authentic points that are raised, he feels that the plan is sound and has a simultaneous ability to be tight while still allowing for some provisions for consideration of flexibility and built for further contingencies. As Mr. Downs stated, what is being recommended is based on an alignment of boundaries and a conceptual framework of programs. However, the specifics of those programs are not yet solidified completely and in fact, in order to move forward with solidifying that and actually formalizing the implementation process and therefore the ability to evaluate the specific situations regarding some of these contingencies, he thinks that it is important at this point to move forward. Therefore, Dr. Valenzuela recommended Board approval of the transition team plan as recommended and presented by Mr. Downs. A motion to approve the transition team plan as recommended and presented by Mr. Downs was made by Mrs. Kellermeyer and seconded by Mrs. Ham. The motion carried.

C. Governing Board – Discussion and Possible Action

1. 2011 ASBA Political Agenda Priorities

Included in the Board packet was the ASBA 2011 Top 10 priorities and plan of action as information only. No action was taken.

A. Personnel – Discussion and Possible Action

1. Approval of Inclusion Health Assistants

Dr. Valenzuela stated that it is recommended by Dr. Barb Smith that two positions (2.0 FTE's) be approved for Instructional Health Assistants. There is a current need due to students with high medical needs. These positions will be funded with ARRA funding. Dr. Valenzuela recommended approval of Dr. Smith's request. A motion to approve two positions (2.0 FTE's) for Instructional Health Assistants was made by Mrs. Kellermeyer and seconded by Mrs. Hall. The motion carried.

VIII. Superintendent/Administrative Reports

Dr. Valenzuela expressed sincere gratitude to our communities, families, and staff for their patience and support with the school closure last week. In retrospect, we do not like to

cancel school but given the weather situation and all the data it was a situation where there was a likely possibility that we would have had a difficult situation where we would have had children and not had the environment in terms of access to utilities and water that would have been necessary. As it turns out, it was a sound judgment. The next day we had all of our schools that were without water in the morning. Dr. Valenzuela stated that he has confirmed that there will not be a need to make up the day because we do have above the minimum standard of hours that are required in order for full funding. He commended Mr. Emerson and his staff for their hands on approach. Several of those technicians were here over the weekend. They ensured that booster pumps were replaced and repaired in addition to power switches that inhibited the flow of water were taken care of as they were damaged by the weather. They also ensured that pipes that had been broken because of the weather were repaired to be ready for business as usual on Monday.

Dr. Valenzuela also shared that through the Alert Now notification system, combined with structured communication protocol, press releases, the use of Facebook and Twitter we were able to get the word out rapidly. In this era, the ability to communicate quickly especially timely and urgent things is very important. Dr. Valenzuela stated that on short notice at one of the District's biggest school at Anza Trail, Mrs. Shiba reported that she had less than 10 students who showed up and they promptly communicated and addressed them. He stated that it was satisfying to him the efforts under Mr. Scott Boone, IT Director, which in a matter of minutes messages were out to parents.

Dr. Valenzuela reported that the SKILLS Arizona had their regional photography contest. Students from Sahuarita High School performed very well. Sierra Walker came in 10th place, Yessenia Ocenasek came in 8th, Alina Mottley came in 6th, Jesse Shiflet came in 2nd, and Jessica Kellerman came in 1st place and won the people's choice award. These students will also be participating in the state wide competition.

Dr. Valenzuela reported that next week is Love of Reading Week at most of our schools. The District is getting ready to launch our annual Quality Focused survey as we are always trying to make it a little better. The purpose of the Quality Focused survey is to try to ask parents to give us feedback on the areas of strength of our operations, instruction, service and honest constructive refinements on how we can work to make things better. This year we are in the initial stages of launching it online. Dr. Valenzuela informed that Board that we have Galileo benchmark testing as it allows us to forecast for AIMS and also individualize instruction for students and monitor the progress that they are making along the way toward proficiency on the articulated Arizona Standards.

Lastly, Dr. Valenzuela expressed gratitude to Mrs. Kerri Carlton who will be with us through June. Her family service to the District and the sacrifice they have made as a family for her to stay the rest of the time, even though her husband has gotten employment outside of the State. He acknowledged Ms. Chernoski's comments.
