X. Board Reports

The Governing Board may present reports at this time.

Mr. Murphy said thank you for the 2 great 8th Grade Promotions, 2 awesome High School graduations. This is our payoff, very well done. The Grad Night went really well. Mr. Murphy thanked Debbie Morales. Mr. Murphy thanked the Common Ground Church for the support they have given the school district over the years. He also thanked everyone the other day, and wanted to include the Business Department, IT Department, Dr. Valenzuela, Assistant Superintendents and his fellow Board Members for their leadership and support.

Mr. Sparks said that he appreciated the graduations, all 4 of them. He said that his cheeks hurt, because he smiled so much. We forget the impact that our administration has on our students. Teachers impact our students on a daily basis. Principals have a huge impact in the life of the student. You can clearly see that in the promotions and graduations, he said that he appreciated just watching. He said that he had to shed a tear for two Board Members and their emotions as their children graduated. Mr. Sparks said that he is impressed with the dedication of the teachers.

Mrs. Hall stated that May is her second favorite time of year, the only thing better is Christmas. There are many things going on, and if she becomes exhausted from attending the events, she can't imagine how exhausted the teachers and staff members are. The speeches from the kids this year were amazing. She said that she looks out at these young people, and she hears how thoughtful they are, our country is in good hands. She will be attending the ASBA leadership conference, so she will not be attending the next meeting.

Mr. Murphy also stated that he was reminded about one thing after attending all of the concerts and the end of year events, he wanted to thank our voters. He said that without the override, a lot of the events would not be of the quantity and quality. He also thanked the White Elephant volunteers, and other organizations for supporting our programs.
