X. Board Reports

The Governing Board may present reports at this time.

Mr. Murphy said that after watching and being part of the NJROTC ceremony, he wanted to thank the voters again because the Override that passed, these are the types of programs that we are able to keep strong in our community. He said he appreciates that. He is also proud to be part of this Board with his fellow Board Members, he thanked them for submitting a letter for the upcoming Bond. He said that the enrollment report just showed that we are up 300 students, half of an elementary school over the summer. If we do not find a way and destiny into our own hands, he doesn’t know where they would go.

Mr. Sparks thanked Dr. Dachtyl for her presentation about concussions. He appreciates her effort on a personal level. Mr. Sparks said that Sahuarita Wins being a top 20 finalist for the Common Ground Award is exciting. Sahuarita is truly a community that works together, this gives me a lot of pride. He thanked everyone who has entered events into the District calendar.

Mrs. Hamm said that it is nice to see events of tonight and all the positive things. The day to day that we are striving for improvement, we are not just sitting here, we are actively moving forward. So often the loudest voices are those of complaint, she said with having Amber here projecting all this out to our community and being positive. So when people go to vote they know that it is worthwhile, we are working hard and striving for these improvements.
