Comment from Tom Murphy – he recognized all the addendums which show the extra efforts of our staff. Volunteers and the use of facilities are great.

**M. Approval of Student Activity and Auxiliary Accounts Revenue and Expenditure Reports – None**

**X. Board Reports**

The Governing Board may present reports at this time.

Mrs. Kris Ham – She attended the SHS vs. Empire football game. She said that you don't know how good you have it until you go somewhere else. Facilities were not up to Sahuarita standards. We can be proud of what we have in our community.

Mr. Tom Murphy – Patriot Day at Anza Trail – Most moving thing was when the students honored their super heroes. The students gave tribute to their fathers who serve in the military.

Mrs. Elaine Hall – ASBA Law Conference – Intense Conference - she learned a lot. This conference deals primarily with education law. Education law is a moving target, we really need to do our homework and advocacy.

Mr. David Eves – Asked to have PowerPoint of Art Work sent to him. This art work is special for the youth because they will be able to share with your families when they are older what they contributed to the community.
