X. Board Reports

The Governing Board may present reports at this time.

Mr. Sparks mentioned that he attended the All District Choir Concert. He said that it was great to see 2nd graders all the way up to singers performing in the same room. He also mentioned the SEEF Basketball game was a great success. It was nice to see everyone being supportive. He said the last week alone seeing Rep. Gabaldon, and Rep. Ackerley, he appreciates their commitment. The Common Ground Award recognizes our District for doing great things. He also mentioned that he has heard of 3 or 4 teachers who have gone out to get grants on their own. That shows that we support teachers.

Mrs. Hall said that going along with what Mr. Sparks said that it speaks to the quality, and culture of our community. This does not happen in a lot of District in our State. She is very proud to be part of this District.

Mrs. Ham thanked Mrs. Mary Chernoski and the entire group that work so hard to pass the Bond, that didn't pass unfortunately. She wished everyone a Happy Thanksgiving.

Mr. Murphy echoed what has been said. He said that there was an article in the paper about Mr. Gallagher regarding Habitat for Humanity. Programs like this and Fine Arts, and without the M&O Override that passed these things would not be taking place. With the Bond not going through we need to have a twelve month campaign and how we communicate. Mr. Murphy thanked WGHS for hosting the SEEF festivities, and he enjoyed the event. Mr. Murphy mentioned a Professional Development Training that he sat in and there were goodies on the side and half was sponsored by Mrs. Lucas one of our Long Relators in the community as well as SEEF. It means a lot when you see community members sponsoring things like this. He said that he was trying to thank Randy before he left, he was here representing the Salvation Army. He was also part of the NRA that donated to our NJROTC Range, and equipment. We could not provide this extra level of services without organizations like this, White Elephant and Toshiba. He attended a luncheon SALEO, that is really cool because of one of the strategic plans of Sahuarita Wins! We are on the pipeline of logistics, aerospace, and they have scholarships for our students who attend Pima or other universities. We are an awesome community, an awesome District we will prevail.
